

## Payment gateway price list, Start tariff

Fees for card payments up to 50 thousand CZK per month and monthly fees for the operation of the payment gateway or the payment terminal are free of charge for six months after signing the contract. The Start tariff will be activated exclusively for merchants who have not concluded a contract for the acceptance of payment cards in the past 12 months. Starting with the seventh month after signing the contract, the Client's tariff will be changed to Easy.

The Start tariff is a part of the Česko platí kartou (Czechia pays with card) project, an initiative of the Ministry of Industry and Commerce of the Czech Republic, Visa and Mastercard.
