The Start tariff is active for the first six calendar months after the contract is signed. From the seventh month, the Client will be activated on the Easy tariff. The Start Tariff is intended exclusively for applicants who have not concluded a contract for the acceptance of payment cards in the past 12 months and have not used the support in the Czechia Pays by Card programme in the past.

The Start tariff is part of the Czechia Pays by Card project, which is an initiative of the Ministry of Industry and Trade of the Czech Republic and the card companies Visa and Mastercard.
